Minor edit: ...surrounding the TPC...

EPA conducted handheld air monitoring from December 9, 2019 at 06:00 to December 10, 2019 at 06:00 at 123 locations in the communities surrounding the TPC Group facility in Port Neches, Texas. The air monitoring results were reported below the screening level at all locations for particulates, total volatile organic compounds (VOCs) and 1,3-butadiene.
